

REMARKS

Reconsideration of this application is respectfully requested.

Attached is a marked up version of the amendments made by the present reply. The attached page is entitled "Version with Markings to Show Changes Made."

Objection to Drawings

Applicants will submit formal drawings to the Patent Office as soon as the drawings are prepared.

Objection to Specification

Examiner objected the title of the invention for lack of clarity. The title has been amended and accordingly, this objection is traversed.

CONCLUSION

Based on all of the above, Applicants believe all claims now pending in the present application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

No other fees are believed to be due at this time. However, in the event that any further fees are required for extension or any other matter concerning this reply, then such fees are hereby authorized to be charged to White & Case LLP Deposit Account 23-1703.

Applicants thank the Examiner for carefully examining the present application and if a telephone conference would facilitate the prosecution of this application, the Examiner is invited to contact Jim Wu at (650)213-0300.

Respectfully submitted,

Dated: September 17, 2002
